Correction Notice

The Methow Valley Ranger District wishes to correct the email comment address for the Mission Restoration Project preliminary Environmental Assessment comment period that was published in the March 2, 2017 Legal Notice in The Wenatchee World. The published email address erroneously showed spaces when there should be none. The correct email address is <https://cara.ecosystem-management.org/Public/CommentInput?Project=49201>. For further information, contact Meg Trebon, project leader, at 509-996-4032.
